

Nano4Life 2012

Converging Nanotechnology with the Life Science Industry

17th April 2012, Stevenage Bioscience Catalyst, GSK Stevenage site

The NanoKTN is pleased to announce the date for Nano4Life 2012.

Now in its fourth year, Nano4Life is the annual conference for the NanoKTN's Healthcare & Life Sciences theme and examines the convergence on nanotechnology and healthcare.

To be held on 17th April 2012, the conference will be hosted by Stevenage Bioscience Catalyst, the UK's first open innovation bioscience campus, on the GSK Stevenage science park.

Speakers

Confirmed speakers include:

- A clinical Need keynote from Prof. Patrick Maxwell, Dean of Medicine, **University College London**
- Regulatory perspective of Nanotechnology in Healthcare from Dr Neil Ebenezer, **Medical & Healthcare Regulatory Products Agency (MHRA)**
- View of pharmaceutical industry partnering needs from Dr Enda Gribbon, **Atelix Ltd**

Technology Pitches

Applications are being sought from SMEs active in the Nanotech space with technologies applicable to Healthcare to give a 5 minute technology pitch. Applicants should send a 300 (max) word abstract to Mike.Fisher@nanoktn.com by **Wednesday 29th February 2012**.
